SCRAMBLE FORMAT RULES

Men play from gray tee markers. Ladies play from green tee markers. U.S.G.A rules apply except for scramble format rules.

Each team member hits a tee shot on every hole. Each team must use a minimum of two (2) shots from each of their team members. The team decides the best shot.

PLEASE NOTE: In order to keep on schedule, if you are playing bogie on a hole, pick up your ball and go to the green. Your second putt is good.

You may play around another foursome if they would like to visit with a hospitality booth.

Each team member may place the ball within one club-length of the selected shot, but no nearer to the hole. If a selected shot is placed from a hazard, sand trap, rough, second cut of rough, fairway, or fringe of the green, the ball may be placed within one club-length of the selected shot, no nearer to the hole, and must remain in the hazard, sand trap, rough, second cut of rough, fairway, or on the fringe of the green.

When putting, you must place your ball within two inches of the selected shot, no nearer to the hole. Teams are cautioned not to make tap-ins until all members have had the opportunity to attempt the team's original putt. Once the ball is holed out, no further strokes count.

You may stand behind a teammate to help determine the line. You may improve your lie everywhere on the course by placing the ball or using your club head.
